

Commodore Athletics

A WINNING TRADITION

Our athletic program's top priority is to provide the best academic and athletic opportunities for our student athletes while maintaining the high standards of excellence associated with Gulf Coast State College. To be competitive, our athletic program is dependent on private support from people like you.

We hope that you will consider giving to **Commodore Athletics**. All donations to GCSC's athletic programs provide our student athletes with direct program support and scholarships.

OUR MISSION

The Gulf Coast State College Foundation, Inc. is a 501(c)(3) non-profit organization dedicated to providing scholarship opportunities and program support for students attending or planning to attend Gulf Coast State College.

The Foundation is committed to the belief that every deserving student, or potential student, merits a chance to continue his or her education regardless of the cost.

The Foundation specializes in serving recent high school graduates and adults of all ages by providing assistance with a variety of means such as scholarship funding for tuition, books and supplies. The Foundation awards scholarships to students in "advance" based on a commitment to follow all established scholarship enrollment and grade point average (GPA) guidelines.

The Foundation is governed by a Board of Directors from Bay, Gulf and Franklin counties. The active board of directors consists of more than 40 community members, all with diverse business and philanthropic backgrounds. The Foundation, with the support of individuals, businesses, other foundations and the state, has created and endowed more than 600 scholarships. For more than 40 years, the Foundation has served GCSC by donating more than \$12 million for scholarship and program support.

"I visited multiple schools before making my decision and in my heart I felt that Gulf Coast State College was where I needed to be. I play softball at Gulf Coast, but I would have attended even if I didn't play. I'm from Panama City and I wouldn't want to attend college anywhere else for my freshman and sophomore year."
